#### All Star Finals

#### Houston, Texas

Road to Italy & Le Mans 2019

We kickoff the 2019 season with Rotax 1st National Event of the Season, **The All Star Finals 2019 Race** in Houston Texas on **April 12-14<sup>th</sup>** at the SpeedSportz Park. Your road to the Rotax Max Challenge Grand Finals in Italy & Le Mans France. We will be awarding **4 Rotax MAX Challenge Grand Finals Tickets to Italy** to the national event winners as well as **6 Rotax International Trophy Event in Le Mans France**. As the Southern USA Distributor, RTX Karting have been working with to create key events in both the Southern and Northern divisions to develop the karting community and the core audience at a local and regional level.

Our interests are aligned in making sure we have the most competitive and attractive grid line ups across all categories. This event will host a **Lottery Engine Raffle Program** – creating an even playing field allows for the ability and skills of great drivers to stand out and shine on the track. The Lottery Engine Raffle Program has shown to be an attractive and competitive racing format helping to develop drivers as well as significantly reduce racing costs. The advanced quality and parity in the high-tech production of Rotax Karting Engines will continue to be demonstrated through these events.

We are excited to bring the growth of the Rotax Karting sport into new territories offering a positive and exciting experience for karting competitors with **BIG TICKETS** to the most prestigious karting event on the planet, the Rotax MAX Challenge Grand Finals. A truly unique experience where you will see 360+ of the best kart drivers from more than 50 nations, compete against each other to be crowned champions. Additionally, we will be awarding 6 Rotax International Trophy held in Le Mans, France - one of the most prestigious karting tracks in the world.

All additional pertinent information regarding the event and further Rotax Racing in the Southern USA will be available on RTX Karting Website as well as our Social Media channels.

For now a few important details regarding the national All Star Finals 2019 event follow:

- **Lottery Engine Program (Entrant Responsible for Accessory Kit)**
- **4 Rotax 2019 Grand Finals Tickets to Italy**
- **6 Rotax 2019 International Trophy Tickets to LeMans, France August 2019**
- **Limited Mojo Practice & Race Tires**
- **Friday-Sunday Racing (No Additional Weekly Practice)**
- **Micro/Mini | Jr Max | Sr Max | Masters Max | DD2**
- **International Drivers Welcomed**

The event will utilize official Rotax International Regulations providing a consistent and proven platform using the new proven Mojo Tires (D2 | D5 compounds) which will offer enhanced racing environment.

The new event structure highlights our 'lottery' engine raffle program which follows the same concept as the Rotax MAX Challenge Grand Finals. The lottery engine program will have a slight deviation from 2018 where only the engine itself will be provided at the time of the engine raffle on Thursday allowing competitors to utilize their own personal accessory kits (Electronics, Inlet Silencer, Exhaust System)\*. This provides a partnering concept of ownership as well as allowing competitors and teams to arrive with their racing chassis fully prepared and ready! Special accessory kit pricing will be available through the Southern USA Rotax service center market by March 2019.

As the event structure matures over the coming days and weeks, please stay up to date on all items through RTX Karting website, social media and do not hesitate to contact us with any questions regarding the All Star Finals 2019 or any Rotax, Mojo & XPS products as well.
