

**Round 2**  
**Jan. 31 – Feb. 2**  
**Bulletin 1**

**BULLETIN 1 – Micro MAX & Mini MAX Exhaust system**

Issued and effective date: January 29th, 2025.

Micro and Mini category drivers must report to the technical inspection area at the times indicated on the schedule to have their exhausts system checked and sealed.

Procedure:

Drivers must present their exhaust system completely dismantled to the technical inspectors, together with a new isolating mat. After the components have been checked and the exhaust system reassembled, the exhaust will be sealed.

Time period for checking and sealing at technical area :

**Thursday January 30<sup>th</sup> : 1:00 pm to 3:30 pm**

**Friday, January 31<sup>st</sup> : 8:00 am to 10:00 am.**

You must write your exhaust seal number on your Technical Self-Declaration sheet before handing it in to technical inspection at the times shown on the schedule.
